TESTIMONIALS

"Just wanted to send a quick note to say thank you so much for the most fabulous evening and dinner at Wiston. Lucy - thanks for organising everything and communicating with me - it made my job much easier and I really appreciated that! The wine/vineyard tour was fantastic- Elaine was wonderful - warm, welcoming and knowledgeable - we all thoroughly enjoyed ourselves and the dinner at Chalk was superb. You really have a special place at Wiston - the buildings, the materials, the attention to detail, the fresh flowers - it was all perfect and then the wine - it was delicious!"

"We had an absolutely fantastic day, and our celebration meal at Chalk was a highlight. Elaine and her team were so kind and welcomed us all so warmly, and their cheeriness and enthusiasm really added to a wonderful atmosphere. Having dined at Chalk before, Edric and I knew what we were letting ourselves in for, and certainly were not disappointed in anyway, in fact our expectations were exceeded! Huge thanks to the chef and their team, the food was truly superb and enjoyed by everyone, even the faddy teenagers loved the rhubarb desert and the very environmentally conscious one was happy to eat the venison once we explained its origins. The canapes were delicious and having the room for the toast and speeches worked perfectly. We absolutely wouldn't have changed a thing!"

"5 stars! I visited Wiston Estate with some colleagues last week and had the most amazing experience. We received an incredibly warm welcome and we're shown around the winery and were able to sample some sparkling wines. Not only were the wines delicious, but the passion and knowledge behind the wines were great and really made the event! We then went on to have lunch in the Chalk Restaurant.

Service was on point throughout and the food was exceptional. I would highly recommend a visit if you like good wine and are looking for a nice way to spend an afternoon in a beautiful setting"

TESTIMONIALS

"Thank you so much for all your help with making Friday such a huge success, everyone had a thoroughly great time and we were too busy having lots of fun to care about the drizzle! Everyone was overwhelmed with Jordan's AMAZING food, the wonderfully friendly staff, beautiful setting and of course, the delightful wine! Thank you for all those emails for well over a year and Elaine's warm welcome when we first visited that meant we cancelled all other visits we had. You both genuinely felt like our two awesome friends who just wanted the best for Tim and I which was so needed on such a wonderful but overwhelming occasion. Several people were over the moon to have discovered Wiston and want to return – local and those afar. What a magical place made so special because of the kindness of the staff and the attention to detail to ensure everything is so beautiful. We will be back!"

"What can I say, thank you so much for such a wonderful evening. Candace was lovely, so knowledgeable and entertaining. It was lovely to meet and hear from Travis, the Vineyard expert (and tractor driver extraordinaire). All the staff at Chalk were so helpful and accommodating. With such beautiful surroundings, delicious food and of course, exceptional wine, it really was a wonderful evening. I will definitely be coming back to visit you in the not too distant future. Once again, thank you to you and the team at Wiston for creating a wonderful evening."

Wayne R - August 2023

"We had such an amazing time at Wiston - everything was perfect, from the tour and tasting, to the walk to the wine barn, to the delicious lunch! We could not have asked for better weather and all the staff at Wiston were so friendly and welcoming! The views of the vineyard during lunch were heavenly... What a beautiful place. Thank you all so much again for making the day so special. "
